## GT WORLD CHALLENGE EUROPE POWERED BY AWS

### TWO DRIVER DEROGATION – MONZA

TD-001

22/05/2025

ON BEHALF OF THE SRO SPORTING BOARD

According to Article 112. b) of the 2025 Sporting Regulations :

#### Two-Driver pairs in the GT Challenge Europe powered by AWS Endurance Cup – Bronze Cup

In the GT Challenge Europe powered by AWS Endurance Bronze Cup, two drivers may be allowed to compete for a Team, subject to the approval of the SRO Sporting Board, on condition that one of the drivers is Bronze.

If such a pairing is authorised, the following conditions apply:

For a Silver/Bronze line-up the Silver driver must compete in the first and third qualifying periods.

The car must compete in all three qualifying periods

The Bronze driver must compete in the second qualifying period

Note for Monza Event.

During the race, the Bronze driver must complete a minimum stint time equivalent to the minimum driver time set for the 3 h race of the event. (45 minutes).

The following request has been received for an entry in the Bronze Cup for team **RUTRONIK**

**RACING**, with the driver line-up as follows :

**ANTARES AU**                      **BRONZE**

**LOEK HARTOG**                      **SILVER**

The Sporting Board, having examined the request, has decided to accept this request for the Monza round of the 2025 GT World Challenge Europe powered by AWS.

Permission is given for this round only.

Signed on behalf of the SRO Sporting Board
