STEWARDS' DECISION

From: The Stewards

To: paradine competition

The Stewards, having received a report from the Race Director, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 991 -

Competitor: paradine competition

Time: 15:51

Session: Pre-Qualifying

Fact: Team members using electric guns in the Pit Lane

Offence: Breach of Article 123.3 b) of the GT World Challenge Europe powered by AWS 2025 Sporting Regulations

Decision: 500€ Fine

Reason: Mechanics from car #991 used an electric gun in the pit lane, as could be seen in video support. The Team representative admitted the mistake and explained that it was due to the lack of space in the pit lane that led to the impossibility to use the air gun. The Stewards accepted the fact of the limited space in the pit lane but consider that a breach of the regulations was committed and decided to impose the above penalty, noting that no sporting advantage was gained.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
