STEWARDS' DECISION

From: The Stewards

To: Rutronik Racing

The Stewards, having received a request from the Competitor, have considered the following matter and determine the following:

No. / Driver: 96 -

Competitor: Rutronik Racing

Time: 18:55 31/05/2025

Session: N/A

Fact: Request for a hardship lap

Offence: Article 24.2 of the GT World Challenge Europe powered by AWS 2025 Sporting Regulations

Decision: A single hardship lap is authorized for Car #64 which is to be undertaken Sunday 1st June, at 08:50. The Competitor should organize with the race control to be ready on time.

Reason: Car #96 suffered a technical issue in the steering system that impeded the car to participate in the Pre-Qualifying Session. Taking that into consideration and for safety reasons, the Stewards accept the request for a hardship lap to be performed in the hardship lap window stated in the timetable.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
