STEWARDS' DECISION

From: The Stewards

To: Tresor Attempto Racing

The Stewards, having received a request from the Competitor, summoned and heard from the competitor's representative(s), have considered the following matter and determine the following:

No. / Driver: 99 -

Competitor: Tresor Attempto Racing

Time: 10:43

Session: N/A

Fact: Request for a hardship lap

Offence: Article 24.2 of the GT Challenge Europe powered by AWS 2025 Sporting Regulations

Decision: A single hardship lap is authorized for Car 99 which is to be undertaken Friday 29th August, immediately after the Bronze Test Session. The Competitor must organize with the race control to be ready on time.

Reason: Team from car #99 requested to perform an hardship lap today and not in the hardship lap window schedule for Saturday, due to the fact they suffered a major technical issue that led to the change of engine and they wanted to test it with enough time to repair, if needed, without missing the free practice session. The Stewards understand the fact and accept the request for a hardship lap to be performed immediately after the Bronze Test Session.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
