**Reason:** At the exit of Turn 6 a collision occurred between cars #88, #93 and #38. The Stewards, aided by the Driver Advisor have interviewed the driver of car #88 (in the presence of the Team Manager) and also invited evidence from a representative of car #38 (the Driver and Team Manager being unavailable). The Stewards and Driver advisor have also examined images for the live TV feed and on-board videos from the three cars involved and that of #32 which was immediately behind those involved. The Stewards consider that driver Marciello was predominantly responsible for the collision.
