

From The Stewards of the Meeting  
To The Competitor GRT Grasser Racing Team

Decision N° 06

The Stewards have received a report from the Technical Delegate (supported by a Report from Memotec GmbH)

Facts: The Technical Delegate reports that car #63 was technically non-compliant in Q2 in that the datalogger was not working in Q2.

Investigation: The Stewards have summons the Competitor's Representative and advised of the content of the Technical Delegate's report. The Competitor is unable to advise why the datalogger did not receive data in Q2 and advises that the Regulations do not permit any interference with the datalogger between Q1 and Q2.

Decision: The Stewards find that the Competitor is in breach of Article 27.6 of the 2019 Blancpain GT Series Sporting Regulations.

Penalty: The Stewards impose a penalty of disqualification from Q2 with the caveat that car #63 is permitted to start Race 2 with a grid position based on no times having been set in Q2.

The Competitor is reminded of his right of appeal in accordance with Article 15 of the 2019 FIA International Sporting Code
