The Stewards, having received a report from the Technical Delegate, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No.:** 76  
**Competitor:** AF Racing AG/ R-Motorsport  
**Session:** Qualifying  
**Facts:** No data in the data-logger at the end of Qualifying.  
**Offence:** Breach of Article 89 of the Blancpain GT Series 2018 Sporting Regulations  
**Decision:** **Car 76 is disqualified from all Qualifying sessions. The car may take the start of the race from the back of the grid.**  
**Reason:** The Technical Delegate reports that there was no data in the data-logger when checked at the end of Qualifying. Having summoned and heard the competitor's representative, and from the Technical Director of the Blancpain GT Series, the Stewards determine this is a breach of Article 89 of the Blancpain GT Series 2018 Sporting Regulations which requires that the data logger must work throughout the Competition. In the circumstances, they consider the only appropriate penalty to be disqualification of the car from all qualifying sessions.

The Competitor is reminded of his right of appeal in accordance with Article 15 of the 2018 FIA International Sporting Code.
